**Parents: Please remember to let us know if your telephone number changes. These phone numbers are used to contact you or your child with any changes or to call you if your child is not well.**

**YOUTH GROUP IS A REQUIREMENT FOR THOSE RECEIVING CONFIRMATION IN THE 10TH OR 11TH GRADES. Absences are considered very serious and must be discussed with the Coordinators. More than three absences for Youth Group will be considered excessive.**

**The STUDENTS share the obligation of all Roman Catholics to attend Mass on Sundays and Holy Days. The Religious Education program strives to promote participation in Mass by the whole family. Parents must accept the responsibility as a sacred duty. Parents must further understand that students who are not regular participants at Sunday Mass may not be admitted to Sacramental preparation classes.**
